Hindmarsh, H. C. "The Toronto Star" December 1917

December 10th, 1917

H. C. Hindmarsh, Esq.,

"Toronto Star".

Dear Mr. Hindmarsh:

Some one told me the other day that the various Settlements in the City have had a share in "The Star" Fund that has been raised for outings and Christmas help for children and those who are unable to provide sufficiently for themselves. If this is so, would you kindly keep in mind the University Settlement. We are doing a large work[illegible] for the third year it has been on a most successful condition, but naturally we need to gather all the help that we can. There are so many old Varsity men on "The Star" that I know you will be interested in the work.

With kind regards, I am,

Yours sincerely,

President.
